- This is first son to be offered for sale by public auction sired by Six Mile Taurus
- Six Mile Taurus is the two time national champion Red Angus bull owned by J6 Farms and Six Mile. He said by many to be one of the greatest Red Angus bulls to ever be created in the breed
- J6 Ford C552 is moderate in his frame score, sound in his structure and very appealing from the side profile
- He proudly represents the notoriety of his lineage and has the look of promise for any purebred Red Angus breeder or commercial cattleman that might consider him

- This bull is a prime example as to why the Red Angus bulls are in such demand in the commercial and purebred segments of the industry
- This yearling beef bull is packed full of muscle and still maintains a tremendous amount of rib shape and capacity
- He is a son of the two time national champion Red Angus bull Six Mile Taurus
- Taurus has made such an impact with so many in the Red Angus breed and many other breeds alike. He is massive in his foot, soft in his pasterns and made as perfect as you would ever want one
- Buy with the utmost confidence with this herd bull and trust in the prominent pedigree and the performance found within this bull

## 3 J6 Taurus Strikes C351

| -   | -  | -  | -  | -    | -  | -   | -   | -    | -    | -  | -  | -   | -   |

- This young beef bull is like his father in that he is sound in his structure, very massive in his rib shape and is very straight and level down his top line
- Six Mile Taurus dominated the most prestigious Red Angus National show two years in a row. This is an accomplishment beyond belief.
- His dam is a foundation cow that has been a solid producer for J6 Farms over the years and she has certainly out done herself her with this young April yearling bull

Six Mile Taurus 519A, sire of Lots 1, 2, 3 & 4.

- SLGN Lavonnes Tina 719T is one of the most productive females here at J6, she was bred in the ever so popular Solution Genetics program. They are true pioneers in the breed that have found that special balance between phenotypic appeal and performance.
- Maternal half-sibs to J6 Buster C370 have consistently been marketed through public auction and private treaty and are working in programs throughout the country.
- 65 pound birthweight out of a mature cow, we couldn't ask for anything more.
- We are confident that the J6 Rock Revival sons are going to pass on the same awe factor that he has.

## J6RA Cherry Revival C371

- The maternal grand dam of this prestigious genetic piece, is RED JCC Sandy 63S who is one of the elite donors at Rust Mountain. She came out of the 2011 Blairs Ag sale and is leaving a lasting impact of the Red Angus breed. Conformationally speaking, she is absolutely flawless in her maternal beef look. She is refined about her head, has an tremendous amount of milk yet she has as much muscular expression as any female in the breed. It is a pleasure to offer a descendent of this matriarch in J6 Cherry Revival C371.
- C371 has an intriguing combination of one of the lowest actual birthweight and highest actual weaning weights in his contemporary group. A growth pattern very similar to that of both his dam and sire.

- A direct son of ABS Global A.I. sire, C-Bar Evolution 107Y.
- Traces back both maternally and paternally to the prestigious Abigrace cow family.
- With a Herdbuilder index of 130, MAJESTIC Evolution C33 ranks in the top 20%.
- Ranking in the top 9% of the breed with an impressive STAY epd of 15. Certainly destined to be a sire that will influence generations to come in progressive programs.
- We love the foot and bonework on this impressive calf, he is so powerfully constructed from the ground up.

- Majestic Lionheart C46 is straight out of the depths of the Moxley program at Majestic Meadows Farm in Maryland.
- Sire was a many time champion, including the North American International Livestock Expo.
- Strong growth numbers represented in Majestic Lionheart C46, he is in the top 26% for WW and top 29% for YW.
- The OHRR 63G ADV Mahogany 56N progeny are certainly living up to expectations, C46 is no exception, he is straight lined, deep centered and his neck ties in high to the top of his shoulder.

- The Bullis Creek / Forefront genetics donor, LCC Tilly MB008M has produced several exceptional progeny including the dam of this particular bull, MAJESTIC Tilly Z03.
- MAJESTIC Lionheart C18 has as stong and balanced EPD profile in the growth and milk perspective.
- At the time of print, these bulls aren't even a year old yet and are already giving us a mature look. C18 is full of muscle down his top and through his hip, he has a tremendous amount of volume and capacity and also gives you neat balanced look from the profile.
- This cross will certainly be intriguing and we look forward to future progeny of C18.

- MAJESTIC Lightning C20 is a paternal sister to the 2013 National Champion Female, Keifers Lulu. Their mutual sire was one of the only bulls in any breed to win the NILE and NAILE in the same year.
- A pedigree consisting of the Bridget cow family, which is truly of great historic cow families of the breed.
- Just a March yearling, C20 is coming into his own and will truly be one of the royally bred herd sires to sell. He is easy fleshing and has breeding bull written all over him.

- This genetic treasure is a son of the massive and breathtaking MAJESTIC Torino. Torino is one of the largest volume, biggest footed bulls available on the market. Certainly a sire that captures your eye in the popular sire directories.
- Maternally speaking, MAJESTIC Torino C09 traces back to Feddes Blockanna 807 twice, she is the past triple crown winner.
- The phenotypic power in his pedigree certainly is expressed in C09, he is absolutely picture perfect. Super straight lined, cool fronted, heavy muscled and powerful in his bone structure and foot size.
- C09 is an exceptional lean muscles option with data that places him in the top 1% for fat, top 5% for REA and top 2% for YG.

- Spectacular genetics represented in both sides of this special lot. Stacked in MAJESTIC Boxed Beef C39's lineage is an immense amount of real world muscle and calving ease. In his own right, C39 has an impressive growth profile with a 73 WW and 118 YW EPD and equally impressive carcass profile.
- LSF Boxed Beef has become one of the go-to sires in the ABS Global line-up to add muscular shape and feeder acceptance to a calf crop.
- A grandson of the two-time Canadian National Champion, Red Fine Line Mulberry 26P, quite possibly one of the heaviest used bulls in the breed to improve phenotype.

- When we analyze the pedigree of this particular individual we feel that the inherent value in the fact that C-Bar Contour 107X is now deceased and it short supply, drastically increases the appeal and marketability to him to a premium level.
- C-Bar Contour 107X, the Accelerated Genetics A.I. sire was the high selling lot out of the C-Bar bull sale and is known his short gestation length, low birthweight, moderate frame and tremendous muscle.
- C39 is long spined and smooth shouldered, certainly shaped ideally for a calving ease option

- This is one of the first calves on the ground by Conley-Brooks Road Hog, the Reserve Grand Champion Percentage Simmental bull at the 2014 American Royal. Bred in the Brooks Cattle Company and Conley Cattle Company partnership program. Programs known for fleshing ability, style and structural integrity.
- We look forward to seeing what this bull can do in the future.

- Brooks Red Rock Y950 has really put some stellar calves on the ground, including J6 MS Dolly C800 who was a highlight in Bushy Parks last show heifer sale. His influence in our herd had been substantial and we feel his best days are yet to come.
- J6RA Rockin C256 is a calving ease specialist with a 12.4 CE and -0.1 BW EPD.
- TC Rachel, dam of C256 is an impressive donor female stemming from the famous TC Red program based out of Ringle, WI.

- WR MS Porche 0030 will eventually go down in the Red Angus record books as one of the most productive females in the J6 donor line-up. She is extremely prolific and consistent; numerous progeny were offered in our prestigious Legacy Collection sale in the Fall of 2015. She as individual was a class winner in Denver prior to entering her productive years.
- What an impressive lineage that is present in J6RA Rollin C289, he traces back to both Simmental and Red Angus greats such as CNS Dream On, Leachman Heavenly and LMAN King Rob.
- C289 has a highly utilizable set of calving ease EPD's, he recorded a 11.4 CE and 0.8 BW EPD.

- A solid Red SimAngus out of that goes back to Callie Bayer past show heifer, TC Rachel 04X. The Bayer Family at TC Reds is known from coast to coast for showing some of the absolute top cattle in the breed. We are pleased to be able to offer progeny out of such a neat female.
- This mating of our very best Simmentals and our very top Red Angus has yielded an excitement crop of calves that we feel will make a substantial impact on a serious breeding program.
- J6RA Red Rock C254 has a desirable API at 121.5 and is in the top 30% of the breed for CE.

- Appropriately named, J6RA Dreamer C267 is a double bred CNS Dream On that is in the top 25% of the breed for CE EPD. Consequently you will be able to "dream on" and not worry about checking on the cows bred to this particular bull.
- Being in the top 25% of the breed for API, adds an exceptional amount of value to the particular bull and any progeny that he may go on to produce.
- Notably, C267 is also in the top 10% for MCE and top 20% for YG EPD; thus allowing him to be bred in several different directions.

## J6RA Busted C292

43 ASA# 3079820 (1/2 Sim/1/2 AN) bull 01.06.15 C292

- This particular bull jumps out at you for his overall completeness, we love the soft and easy fleshing look he gives you from the side and the massive hip and rear quarter he expresses from behind. Plenty of skeletal width and dimension in an attractive package.
- This black and polled son of MR HOC Broker will be the paternal brother to many of the top selling cattle in the Simmental breed this upcoming year. The Broker progeny are in high demand due to their great eye appeal and above average growth.
- C292 posts above average data for weaning weight and is in the top 40% for BF EPD.

- J6RA Broker B500 may possibly be one of the most impressive Simmentals in this year's offering in terms of power of pedigree. In addition to being a Broker son, he is out of a MR NLC Upgrade daughter. Upgrade is one of the most dominant and breed changing Simmental bulls in the history of the breed. He was the bull that introduced curve bending EPD in an exceptional phenotypic package.
- B500 lands in the top 30% for WW EPD, top 25% for YW and ADG and top three for BF EPD.
- His combination of pedigree and performance will work beautifully in a Simmental, SimAngus or commercial program.

## J6RA Boker C290

- Expression of lean muscle certainly isn't a concern with J6RA Hammer C293, he has a tremendous amount of shape out of his shoulder and down his top and distinct turn to his quarter. He has all the right angles and indicators that would make you suspect that he is going to make a growth oriented mature bull who is going to continue to get better and better with age.
- Black and polled, SimAngus that traces back to the number one used bull in the Simmental breed, MR NLX Upgrade! He didn't get that ranking by accident; he is precisely constructed on hoof and on paper.
- J6RA Dark Hammer C293 is one of the most complete bulls in terms of data that we are offering, he spans from a .3 BW EPD to a 99 YW EPD and is in the top 25% of the breed for Marbling. He has solid index numbers as well with a 124 API and a 72 TI.

- When selecting our offering for this spring's bull sale, J6RA Hammered C294 is one that was an obvious choice for us. He excels in so many different commercially driven traits that are so economically important to the modern cattlemen, he decisively had to be in the sale.
- C294 is a great option to breed to mature cows that need some modern growth and increased carcass ability. He is in the top 10% for WW, top 20% for YW, top 20% for CW, top 45% for Marb and top 30% for TI!
- To add to this, his sire is one of the highest valued bulls in the entire Simmental breed!
- Black and polled, SimAngus.

- A true sale feature and one of the big league herd sire prospects is J6 Stacking The Deck B336
- He is a son of the popular Red Angus sire WEBR TC Card Shark and from the elite Red Angus donor SLGN Stony's Tempest 778T
- As you can see in the picture is this bull is nearly perfect from the side profile
- We admire his straight lines, square hip and soundness in structure
- If you are in need of a highlighted sire to bring attention to your program and add value to your calf crop then consider this beef bull
